Kapurthala

Greetings from Kingfisher Training Academy.

Kingfisher Training Academy was launched by Dr. Mallya under the aegis of our parent company UB Holdings Limited. It is backed by India's most respected and only 5 Star Airline, Kingfisher Airlines.

The Kingfisher Training Academy has been instituted to cater to the growing demand for 'trained service oriented professionals', essentially addressing the gaps that exists between what an educational institution teaches and what an organization requires.

At Kingfisher Training Academy, we have what it takes to be a centre of excellence in learning. Our objective to emerge as the undisputed choice for Aviation, Hospitality and Customer Service Training, is envisaged through our strategic industry partnerships with Kingfisher Airlines, The Orchid & VITS Hotels and The English Language and Training Institute of Symbiosis (ELTIS), Industry validated course curriculum, enviable placement records, qualified faculty and cutting edge infra-structure.

A growing trend of the Customer Service Industry's requirement for skilled employable manpower is witnessed in requests made to KTA for approx 850 trained professionals (200 Cabin Crew for Domestic Airlines, 150 Cabin Crew for International Airlines, 250 Ground Staff for both Domestic/International Airlines and 250 Hotel Professionals for reputed Hotel chains) in Aviation & Hotel Industry by end of 2012.

In our resolute endeavor to spread awareness amongst the Target Group about "New Age Career" in the Aviation, Hospitality and Customer Service industry, we constantly strive to educate the student community through non commercial "Direct Contact" activities.

We propose to conduct a "Career Guidance Seminar" for the students at all Colleges affiliated to your prestigious University which will allow them to understand our industry and the growth.

We look forward for your kind approval and support.
