Subject: Call for Paper Presentation / Poster Presentation / Participation in national Conference on Solar Power (NCSP 2012).

Dear Sir/Madam,

This is informed that Government Engineering College Bharatpur is organizing a National Conference on "Solar Power: The promising solution to future energy crisis" during 29-30 March-2012.

The objective of the conference is to provide awareness and showcase latest research and development in the field of solar energy and allied areas. It will provide an opportunity to interact with distinguished technologist from industry, academia and government departments working in the area of "Solar Energy".

For more details, kindly visit www.ecbharatpur.ac.in. You are requested to circulate it among the faculty & place it on notice board for students.

With regards,

Dean (Students' Affairs)

CC: Hon'ble Vice-Chancellor

"Propelling Punjab to a prosperous Knowledge Society"

Subject: Call for Paper Presentation/Poster Presentation/Participation in National Conference on Solar Power (NCSP 2012): Regarding

Dear Sir/Madam,

It is our pleasure to inform you that Government Engineering College Bhartapur is organizing a National Conference on **"Solar Power: The most promising solution to future energy crisis"** during **29-30 March, 2012**

The objective of this conference is to provide awareness and showcase latest research and development in the field of solar energy and allied areas such as solar radiations scenario worldwide, government policies and incentives for promotion of solar energy usage, technologies in harnessing solar power, limitations of conventional energy resources, challenges in solar energy utilization, role of energy in sustainable development, environment related issues etc.

Participation in this conference will provide opportunity to interact with distinguished technologist from the industry, academia and government departments working in the area of "Solar Energy". We anticipate the august gathering of more than 500 people on the occasion. High profile dignitaries from the Govt. of Rajasthan and renowned speakers shall grace the occasion.

We seek your co-operation by way of sponsoring a few of your esteemed colleagues/students for paper/poster presentation and also active participation in this conference. Conference brochure is appended for your reference please. Soft copy of registration form is available on our website www.ecbharatpur.ac.in

We look forward your participation in this conference. We wish you a very happy and prosperous New Year 2012.

With best regards
