Sir/Madam

Alumni are the prized possession and valued ambassador of any University and I K Gujral Punjab Technical University always crave for a healthy alumni association. It is a matter of privilege to share that IKGPTU alumni are doing amazing work across the globe and build a suitable niche for themselves in the different professional spheres. Since its inception, alumni are an integral part of IKGPTU fraternity, present achievements and future hopes. University has also organized Alumni Meets in Hyderabad, Pune & Bangalore in the past. Accreditation Boards of India (NAAC, NBA etc) are also emphasises on a robust alumnus connect. On the International platform, alumni connect is always treated as a matter of pride of any educational institute.

To take this association to the next level, University has launched "Alumni Web Portal" (<https://alumni.ptu.ac.in>). This is a common platform which would be utilised by different stakeholders associated with the university for their different reasons viz to connect people outside India for their opinions and experiences, sharing job opportunities in different countries, problems faced by alumni, suggestions to improve academics. To achieve this purpose successfully, all University campuses & affiliated colleges are required to develop their own alumni portal and synchronize it with Alumni web portal of the University.

To discuss the above mentioned in detail and to plan the future roadmap of alumni program, IKGPTU is organising Alumni Coordinators Meet. **Dr. Ajay K Sharma, Hon'ble Vice Chancellor, IKG PTU, will preside over the meeting.** The event is scheduled as per the following:

Date: June 13, 2019 (Thursday)
