#### **Vice-Chancellor's Message**

Dear fellow readers,

It is an honor that I have the opportunity to interact with you through the 05th edition of this Six-Monthly newsletter "Campus Mirror". The auspicious hour of the new year is an opportunity to enter the new year while exploring the past year experiences. We are ready to achieve a new position, to break records and to reach at new heights of academics. With best wishes I present to you the 05th edition of "Campus Mirror".

As you know that I.K.Gujral Punjab Technical University (IKG PTU) is the first and largest technical university of the state of Punjab and it was established in the year 1997 for the promotion of technical education. Today, this university is not only teaching thousands of students from its own state, but students from more than 10 other states in technical, management, pharmacy, architectural and other vocational & professional courses. Unlimited opportunities for learning and development are being provided to students in the University Main Campus Kapurthala Road, University Campuses in Sri Amritsar Sahib, Hoshiarpur and two campuses at Mohali as well as hundreds of affiliated colleges. IKG PTU is a Punjab State University. We have the full support of our mentors, our management team; with their guidance and confidence we are moving forward. This faith will be stronger in the new year 2024, that's the hope & believe also.

Activities, achievements and other information of the past year in the 05th issue of "Campus Mirror" is published for your information by the Public Relations Office Team through the Office of Registrar IKGPTU. This information is also a penned proof of your expectations coming true. We hope you will feel proud to be a part of this university family as you read our work in this edition.

We believe in full cooperation in the year 2024.

with thanks,

Dr. Susheel Mittal

## ਰਜਿਸਟਰਾਰ ਸਾਹਿਬ ਜੀ ਦਾ ਸੰਦੇਸ਼

ਪਿਆਰੇ ਸਾਥੀਓ,

ਸ਼ੁਭ ਸੁਨੇਹੇ ਲੈ ਕੇ "ਕੈਂਪਸ ਮਿਰਰ" 05ਵਾਂ ਅੰਕ ਤੁਹਾਡੇ ਸਾਹਮਣੇ ਹੈ! ਇਹ ਤੁਹਾਡੀ-ਸਾਡੀ ਸਾਰੀਆਂ ਦੀ ਮਹਿਨਤ ਦਾ ਪ੍ਰਮਾਣ ਹੈ ! ਇਸ ਵਿਚ ਦਰਜ਼ ਸਾਰੇ ਸਮਾਰੋਹ, ਵਿੱਦਿਅਕ ਪ੍ਰਾਪਤੀਆਂ, ਵਿਦਿਆਰਥੀਆਂ ਦੀਆਂ ਗਤੀਵਿਧਿਆਂ, ਅਧਿਆਪਕਾਂ ਦੀਆਂ ਸੇਧ ਦਿੰਦਿਆਂ ਮਿਸਾਲਾਂ ਅਤੇ ਯੂਨੀਵਰਸਿਟੀ ਕਾਰਜਾਂ ਸੰਬੰਧੀ ਜਾਣਕਾਰੀ ਮਿਲਕੇ ਬਿਹਤਰ ਕਰਨ ਦੀ ਮਿਸਾਲ ਹੈ! ਤੁਸੀਂ ਇਸ ਨੂੰ ਪੜ੍ਹਦੇ ਹੋਏ ਮਾਣ ਮਹਿਸੁਸ ਕਰੋਂਗੇ!

ਅੱਜ ਦੇ ਦੌਰ ਵਿੱਚ ਵਿੱਦਿਅਕ ਅਦਾਰੇ ਸਿਰਫ਼ ਵਿੱਦਿਆ ਦੇ ਪ੍ਰਸਾਰ ਲਈ ਹੀ ਨਹੀਂ , ਬਲਕਿ ਸਰਬਪੱਖੀ ਵਿਕਾਸ ਦਾ ਟੀਚਾ ਲੈ ਕੇ ਕੰਮ ਕਰ ਰਹੇ ਹਨ! ਹੁਣ ਮੁਕਾਬਲੇਬਾਜ਼ੀ ਦੀ ਦੌੜ ਅੰਤਰਰਾਜ਼ੀ ਨਹੀਂ, ਬਲਕਿ ਵਿਸ਼ਵਵਿਆਪੀ ਹੈ! ਹਰ ਮੁਕਾਬਲੇ ਨੂੰ ਅਸੀਂ ਜਿੱਤ ਜਾਵਾਂਗੇ ਜੇਕਰ ਇੰਝ ਹੀ ਸੰਸਕਾਰਾਂ ਵਿੱਚ, ਅਨੁਸ਼ਾਸਨ ਵਿਚ ਰਹਿ ਕੇ, ਟੀਮ ਵੱਜੋਂ ਕੰਮ ਕਰਦੇ ਰਹਾਂਗੇ! ਗਲੋਬਲ ਪੱਧਰ ਤੇ ਅੱਜ ਮਨੁੱਖੀ ਕਦਰਾਂ-ਕੀਮਤਾਂ ਨੂੰ ਨਾਲ ਲੈ ਕੇ ਚੱਲਣ ਵਾਲੀ ਪੜ੍ਹਾਈ ਦੀ ਲੋੜ ਹੈ! ਜੇਕਰ ਸਾਡੇ ਅਨੁਸ਼ਾਸ਼ਨ, ਸਰਬਪੱਖੀ ਪੜ੍ਹਾਈ ਤੇ ਨੌਜਵਾਨ ਪੀੜੀ ਨੂੰ ਸੇਧ ਦਿੰਦੇ ਮਿਸਾਲੀ ਕੰਮ ਲਗਾਤਾਰ ਜਾਰੀ ਰਹਿਣਗੇ ਤਾਂ ਪੂਰਨ ਵਿਸ਼ਵਾਸ ਹੈ ਕਿ ਅਸੀਂ ਹਮੇਸ਼ਾਂ ਅੱਗੇ ਹੀ ਰਹਾਂਗੇ! ਆਈ.ਕੇ.ਗੁਜਰਾਲ ਪੰਜਾਬ ਟੈਕਨੀਕਲ ਯੂਨੀਵਰਸਿਟੀ ਤੁਹਾਡੇ ਸਾਥ ਤੇ ਵਿਸ਼ਵਾਸ ਤੇ ਹਮੇਸ਼ਾਂ ਖੜੀ ਹੈ।

ਯੂਨੀਵਰਸਿਟੀ ਦੇ ਬੀਤੇ 06 ਮਹੀਨੇ ਦੇ ਕਾਰਜਾਂ ਨੂੰ ਕਿਤਾਬੀ ਰੂਪ ਦੇਣਾ ਔਖਾ ਸੀ, ਪਰ ਲੋਕ ਸੰਪਰਕ ਦਫ਼ਤਰ ਦੀਆਂ ਕੋਸ਼ਿਸ਼ਾਂ ਹਮੇਸ਼ਾਂ ਵਾਂਗ ਇਹ <mark>ਕਰ</mark> ਦਿਖਾਉਣ ਵਿਚ ਸਾਰਥਕ ਰਹੀਆਂ ਹਨ! ਮੈਨੂੰ ਖੁਸ਼ੀ ਹੈ ਕਿ 05ਵਾਂ ਐਡੀਸ਼ਨ ਤੁਹਾਡੇ ਹੱਥਾਂ ਵਿਚ ਹੈ! ਮੈਂ ਇਸ ਐਡੀਸ਼ਨ ਵਿਚਲੇ ਕਾਰਜਾਂ ਨੂੰ, ਸਮਾਰੋਹਾਂ ਨੂੰ, ਪ੍ਰਾਪਤੀਆਂ ਨੂੰ ਪੜ੍ਹਦੇ ਹੋਏ ਮਾਣ ਮਹਿਸੂਸ ਕਰ ਰਿਹਾ ਹਾਂ! ਆਸ ਕਰਦਾ ਹਾਂ ਕਿ ਤੁਹਾਡਾ ਹੋਰ ਬਿਹਤਰ ਸਹਿਯੋਗ ਮਿਲਦਾ ਰਹੇਗਾ! "ਕੈਂਪਸ ਮਿਰਰ" ਇੱਕ ਦੂਰਦਰਸ਼ੀ ਉੱਦਮ ਹੈ, ਜਿਸਦੀ ਅਜੇ ਸ਼ੁਰੂਆਤ ਹੀ ਹੈ! ਇਸਨੂੰ ਤੁਹਾਡਾ ਸਹਿਯੋਗ ਨਿਰੰਤਰ ਲੋੜੀਂਦਾ ਹੈ!

ਸ਼ਭਕਾਮਨਾਵਾਂ ਸਹਿਤ ਇਹ ਐਡੀਸ਼ਨ ਆਪ ਜੀ ਦੇ ਸਨਮੁੱਖ ਹੈ!

"We are working for bridging the gap between school, higher & technical education and the students are getting direct benefits: Education Minister Harjot Singh Bains

"We are working to bridge the gap between school, higher & technical education and the students are getting direct benefits with the efforts of these three departments. Punjab Government has been working as a link between various types of Education. As a result of this, the admissions in schools have increased by 13 percent and now it is expected that the graph of admissions at higher education & technical education will be on the top in this academic session 2023-24. This is addressed by Punjab Education Minister S. Harjot Singh Bains. Education Minister S. Bains was reached at I.K. Gujral Punjab Technical University, Kapurthala to review the project "Ghar de nede, mere naal - ucch sikhia de mauke aapar". He was welcomed by the University Registrar Dr. S.K Misra.

Project "Ghar de nede, mere naal - ucch sikhia de mauke aapar". was an initiative towards bridging the gap between school education, higher education & technical education. University officials said that there was a gap between school education, higher education & technical education. All these three sectors were doing better in their own capacity, but together they were not moving towards much better. The school students, their parents were not even aware that there are large numbers of

institutions with state-of-the-art facilities near to their homes. For this awareness, thousands of students of government schools were given educational tours of major institutions of higher education, technical education in Punjab. Even the higher education, technical education institution teams were also encouraged to make their approach to schools and they did a tremendous job.

I.K.Gujral Punjab Technical University Jalandhar, Kapurthala became the leading university in this campaign. Thousands of students and faculty members were given an academic visit by the university. The university teams themselves also reached out to different schools and guided students about the better opportunities available for technical education in Puniab. Cabinet Minister Hariot Singh Bains said that we are hopeful that the benefit of the campaign will prove helpful in attaining the top number in academic admissions for the year 2023-24. Meanwhile, the Education Minister also launched an online portal related to University Admission 2023-24. This portal has been developed by the IT Department of University in collaboration with the Admission Cell. The cabinet minister also met the students of different states studying at the university.

On this occasion, folk dances of various state students were performed.

During the program, all the deans and senior officials of the university were present.

The vote of thanks was delivered by Dean P&EP Dr. R.P.S Bedi and the event was moderated by Deputy Registrar Public Relations Rajneesh Sharma.

## Unique Initiative

IKG PTU honored student with PhD posthumously, supervisor defended final viva

Few such cases in Indian universities, the son of late PhD student came from Canada to get his father's Ph.D degree

For the convenience of the students, the university is always ready to take maximum initiatives: Registrar Dr. S.K. Mishra

I.K.Guiral Puniab Technical University (IKG PTU) has awarded one of its Ph.D. (Doctor of Philosophy) student Parveen Chander posthumously by conducting a final viva. This has taken a unique initiative in the academic field by awarding degrees posthumously. There are only a few cases in Indian universities, in which if the research student dies due to any reason and he is awarded posthumously. The university has taken this unique decision in honor of the excellent research work of its student, on the request of his family and keeping in mind that future student can benefit from the research. In this initiative, a supervisor of the student has also defended his final viva in front of the experts taking the responsibility of completing his last work after the death of the student.

Student Parveen Chander was from District Bathinda and was a PhD research scholar in the Civil Engineering Department of IKGPTU. He submitted his thesis to the university in August 2020. Meanwhile the Corona period has started. Unfortunately, in February 2021, student Parveen Chander died suddenly due to a tumor in the liver. Student Parveen Chander worked hard for eight years on the important subject of Civil Engineering ' "ANALYSIS OF SOIL INVESTIGATION DATA AND DEVELOPMENT OF SOIL DESIGN CHARTS OF PUNIAB STATE" i.e. different level of soil investigation, analysis of data and development of

soil design charts with reference to the state of Punjab. The student did SPT soil testing, collected samples and completed his thesis using GIS.

Professor (Dr.) Rajeev Chauhan of the Civil Engineering Department of the University was the supervisor of this student. After the death of the student, Prof. Chauhan and the family members requested the R&D branch of the university to get the student's final viva done and start the process of conferring the degree. He also took up the responsibility of defending the thesis. IAS Rahul Bhandari, the then Vice-Chancellor of IKG PTU, allowed this request. On May 29, 2023, after the examination and implementation of the thesis, the oral examination of the examiners was held and the degree was awarded posthumously to the student.

University Registrar Dr. S.K. Mishra called it a milestone in university academics, from which many future paths will achieve new heights. He said that for the convenience of the students, the university is always ready to take maximum initiatives. Dean R&D Dr. Hitesh Sharma said that the university is continuously trying to promote the honest efforts of the students in academic work and keep their research work safe. Late student Parveen Chander's wife Vijay Chander, who is a school teacher and their son Mahakansh, who specially came from Canada, received the degree in a very emotional atmosphere and special thanks to the university authorities and supervisor for the initiative taken by the university.

#### NSS plays an important role in overall personality development: Dr. Susheel Mittal

Educational institutions are now responsible for the overall personality development of the students. It is an old tradition when the educational institutions were limited to studies, arranging competitions between students for high score or providing students a job. Now the responsibility of educational institutions is more to make students capable of good leadership, to make them better administrators & to make them global leaders. National Service Scheme (NSS) is a very effective subject for this. NSS plays an important role in overall personality development of a student. This is the view of Dr. Susheel Mittal, Vice Chancellor, I.K.Gujral Punjab Technical University (IKGPTU). Vice Chancellor Dr. Mittal was addressing the one day NSS Officers Orientation Program organized in the main campus of the University on Thursday as the chief guest. NSS officers and volunteers from colleges across the state participated in the programme. The program started with lighting the lamp ceremony.

University Education journey is different from school learning journey, make yourself serious about classroom studies:

#### Vice Chancellor Dr. Susheel Mittal

University education journey is totally different from school education learning. Students have to make themselves serious about studies, specially classroom study. Education in university does not mean just studying, but being ready to move forward in every field. During the course, apart from education, students here learn how to perform successfully in society, job, business and life and how to be better in every class. Bringing maturity in work, ensuring 100% attendance and studies in the classroom should be the aim. This is

the message to the new students from the Vice Chancellor, IKGPTU (I.K.Gujral Punjab Technical University). He was addressing the "Student Induction Program"

organized in the university campus as the chief guest on Monday. This was the first address of Vice Chancellor Dr Mittal to newly admitted students in the new academic session 2023-24.

Vice-Chancellor Dr. Mittal said that students must stav connected with family members and religion, in which you grew up, because family and your theist faith always gives you inner spiritual strength. It will give you the courage and confidence to move forward. During this, he inspired the students of the university that the institution in which they have come to study, is a public University. The government is providing maximum facilities at low fees here. In such a situation, it is your responsibility to be serious from now, complete your studies, be able to repay this and participate in the progress of your nation and

At the beginning of the program, after performing the lighting lamp ceremony, the Shabad was sung by senior students of the campus. #### The biggest challenge for the media is its commercialization & the impact of Artificial Intelligence (AI): Eminent Journalist Baljit Balli

Currently the biggest challenge for the media is its commercialization and the impact of Artificial Intelligence (AI). Even though journalism has made access from handwritten, then carbon copy to digital transmission, but the purpose of journalism is still the dissemination of the information. The need is to make information accurate and verified information a part of dissemination. This message is from the eminent veteran journalist BaljitBalli, who is the editor of digital media brand www.Babushahi.com. He reached the university on the special invitation of the Public Relations Office of I.K.Gujral Punjab Technical University (IKG PTU) and met the students of the journalism and mass communication department of the university. While sharing his experiences of different periods of journalism with students, he shared his thoughts about the

importance and necessity of journalism. He also explained the practical nuances of the print media subject included in the university's journalism course to the students.

Journalist Balli explained that governments are sources of information, journalism in any age could not be separated from government information, even though the aspects of using or disseminating that information may be different. He also thought about the journalism being done through "Twitter" in the current era of digital journalism. Apart from this, he also shared ideas with the students about the difference between digital journalism and social media journalism. He said that these two subjects are different. Meanwhile, BaljitBalli shed light on the journalism done during the emergency in the country, Operation Blue Star etc. They also gave good answers to the questions asked by the students. He

### **IKGPTU** organized Seminar on "Prevention of Sexual Harassment Act 2013"

It is unfortunate that even today women have to be victims of sexual exploitation at workplaces. Sexual harassment has many definitions and even a strict 2013 law applies to it. The need is to be aware, to resist exploitation from the beginning. These are the views of Harleen Kaur, a renowned female lawyer of Punjab and Haryana high court. Advocate Harleen Kaur was addressing a one-day awareness seminar organized at I.K.Gujral Punjab Technical University (IKG PTU) as the keynote speaker. The subject of the seminar was "Prevention of Sexual Harassment Act 2913". This speaker, female lawyer harassment at showing pornography or

#### Institutes should ensure that every engineering student visits industry, works there and takes training: VC Dr. Susheel Mittal

IKGPTU Vice Chancellor gave practical suggestions and direction in the 54th Academic Council; Positive response on total 45 agendas of the University & its affiliated colleges Directions to motivate students to complete their degree within the stipulated time limit, said "Students should be serious towards studies".

Bridging the growing gap between industry and education sector, making students understand the true purpose of doing a degree, increasing the responsibility of teachers and students towards studies, all these are the responsibilities of educational institutions. At present, the need to work by understanding these responsibilities more closely is very important in the interest of Punjab and our country. Institutes ensure that every engineering student visits industry, works there and gets trained. These views are of Dr. Susheel Mittal, Vice Chancellor, I.K. Gujral Punjab Technical University (IKG PTU). He was addressing the 54th Academic Council meeting of the university on Wednesday. The meeting took place in the main campus of the university.

Principals/Directors of affiliated colleges from across Punjab participated as Academic Council members. University Vice

Chancellor Dr. Susheel Mittal presided over the Academic Council meeting as Chairman. Registrar Dr.S.K.Misra started the meeting as the Council Secretary. Dean Academic Prof. (Dr.) Vikas Chawla presented all the agenda before the Council. Vice Chancellor Dr. Mittal made it clear that the Academic Council will be serious and will understand its responsibilities only then the young generation will move forward in the right direction. Total 45 agendas were placed in the Academic Council meeting, on which the Council agreed after general feedback and discussion. In this, two agendas were statutory, two for information while 32 agendas were kept as ratification. A total of 08 agendas were presented in the form of discussion and proposal. Only one agenda was table agenda. The main agenda includes making everyone aware about the report of the action taken to promote research in the May 2022 meeting of the University Research Board, giving consent to

give special chance (golden chance) to the old students in pending exams, Demand of fee hike for various courses of the university by the colleges. The agenda related to allowing students to move forward under special eventful aspects, taking decisions regarding name corrections on certificates were also important.

A demand has been made by the colleges that the fees of various courses of the university have not been increased for the last 15 years, whereas during this period, the scale of teachers and campus expenses have increased immensely. On this, Council Secretary Registrar Dr. S.K. Misra clarified that this item is already pending with the Technical Education and Industrial Training Department, Govt. of Punjab for decision. Action is underway. Similarly, on giving opportunities to the students under the Golden Chance Examination and special

eventful aspects, Vice Chancellor Dr. Susheel Mittal clarified that all the institutions need to work together on this, so that the students do not just study and get a degree but take it seriously in the interest of their future first. Students should complete degrees within the given time limit only. He said that he is not in favor of such relaxation in studies which reduces seriousness

During the vote of thanks, Registrar Dr. S.K. Misra informed everyone about the implementation of the National Education Policy and the recent decision taken by the University for establishment of Business cum Incubation Center. He also shared with the Council the information about the proposal received from ISB and IIIT Hyderabad. All the deans, department heads, other campus directors and subject experts of the university were present in the

Vice Chancellor
Dr. Susheel Mittal,
Registrar Dr. S. K. Misra
8 all university faculty
6 officials paid homage

I.K.Gujral Punjab Technical University's (IKGPTU) NSS wing observed Birth anniversary of Shaheed E Azam S. Bhagat Singh today at its main campus where a number of NSS volunteers, NCC cadets, students and faculty members, nonteaching staff members & officials participated. They very fondly remembered the various aspects of the life of this great martyr. Dr. Sarabjit Singh delivered a lecture on the life of Shaheed E Azam. He cited various incidences of the life of S. Bhagat Singh which reflects that he was a great scholar of Sanskrit, an ardent follower of Arya Samaj. He told that he always stood for equal rights for all and therefore, he observed fast unto death when his fellow prisoners were served below quality food.

Speaking on the occasion the Vice Chancellor apprised that this country has observed a long time of slavery and our revered freedom fighters have laid supreme sacrifice in fighting for independence. We should always remember those sacrifices and strive to achieve excellence in our work and job so that we can sustain our independence and make our country proud so that sacrifices made by the great personalities like S. Bhagat Singh do not get wasted. Registrar of the university Dr. S.K. Mishra appealed to the students to adopt values of righteousness in their life and they must read about the life of S. Bhagat Singh

to get motivation to contribute towards our country and society.

Dean Academics, Prof. Vikas Chawla said that S. Bhagat was a great Sanskrit scholar and won national competitions twice organised by one of the prominent academies of Varanasi. He was a keen reader of the books which shaped up his personality under the influence of LalaLajpat Rai, Swami Vivekanand, his uncle S. Ajit Singh.

NSS Coordinator Dr. Chander Parkash also expressed his views and told the students that S. Bhagat Singh was a scholar, revolutionary and having an unwavering personality. He at that time influenced a large population of the country to stand up for the country and fight for its independence. At that he even became a more popular personality even more popular than Mahatma Gandhi. His life and philosophy will always keep on influencing our youth for an infinite time period. In the end, he thanked all the dignitaries, students and faculty members present in the program.
